

AGS Premium quality repair kits in new packaging

Starting from January 2023 there will be planned change in AGS Premium quality products packaging

High quality and contains of package remains same.

Original packaging of AGS Premium quality

New packaging of AGS Premium quality

Several reasons, why to use branded AGS Premium quality spare parts and repair kits:

- AGS Premium quality repair kits will provide you long term service life of Zetor, ZTS, LKT, URSUS, JD 2000 and other applications
- Quality of AGS Premium quality is continuously checked and invated
- AGS Premium quality repair kits really payss off, if you want to maintain high performance and long life of your engine, don't get fooled by cheap offers
- By using nonbranded repair kits in tractor and engine types of: Zetor, ZTS, LKT, URSUS, JD 2000 and other applications, customer losses all wanrranty and takes full responsibility of damages made by those spare parts
